(361)296-3101

It is a privilege to serve our students and each of our families as the superintendent of Riviera Independent School District. Riviera ISD is a part of my life, and I take great pride in helping to make it a better place, day by day. Our school community offers such strength and support to each other. Our district is a great place to learn, to work, to be!

It is my practice and an expectation to nurture partnerships between our educators and parents in working for the best interest of our children. For this reason, I ask that if you are interested in becoming a part of our Seahawk Country that you come visit with me personally. I am confident that you will leave knowing that this is South Texas' best kept secret!

My care, concern, and efforts will always come from a place in my heart that truly wants to help make a difference. **Our students are absolutely amazing**, and our teachers, and staff members are truly **The Best of the Best**.

My goal for every student that walks the halls of Riviera Independent School District is that they see the in light in this world, in themselves, and in others. Together, we will make THE DIFFERENCE, and a POSITIVE IMPACT by providing an EXCELLENT EDUCATION one child at a time.

Sincerely,
Patricia Thornton
