Dear Riviera ISD Families:

We are excited about returning face-to-face starting September 8th. Due to the changes in place this school year, we have highlighted some important points that will help make our year start out strong.

Student AM Drop-Off-

This year we are asking that students are **NOT** dropped off at school earlier than 7:25.

Visitors, Drop-off, and Pick-Up –

Parent visits to the campus will be restricted to only those essential school operations. All campus visits must be scheduled via an appointment. The number of visitors in the school will be limited to ensure that students are safe; therefore, alternative meeting options may be scheduled, including virtual meetings. We are discouraging parents from entering the school during daily drop-off and pick-up. Parents must remain in their vehicles during this time.

Entering and Exiting the District and Campuses –

Below is a table describing Riviera ISD's plan for student drop-off and pick-up for the 2020-2021 school year. As indicated in the table, drop-off and pick-up instructions are as follows:

- PK 3 – 4th grade will enter and travel south on Seahawk Dr. to drop off their children at the front entrance of Nanny Elementary then exit west on Willow Ave. 7
- Grades 5th – 9th will enter and travel south on 10th Street using the east (left side) lane to drop off their children between the Library and DeLaPaz Building then exit west on Willow Ave.
- Grades 10th – 12th will enter and travel south on Seahawk Dr. to be dropped off at the Kaufer Early College High School entrance.
- Student drivers will enter the west gate closest to the gym, park in the student parking lot, and report to their 1st period class through the Breezeway entrance. At the end of the day, they will exit right on 10th street and travel south to Willow Ave.
