Kaufer *Early College* High School

September 18, 2018

Dear Parents:

Your child is enrolled in dual credit Music 1306. This is an online Coastal Bend College course. All course work is done through his or her Blackboard account.

Coach R. J. De La Rosa is facilitating this class. Students are expected to log in to their account each class period, complete their assignments on time, and do well. Each Friday, students will print his or her grade report for Coach De La Rosa. If any student is behind, or has failing grades, Coach De La Rosa will have your child call you. This class is fairly simple if students just keep up with the assignments.

In the spring 2019, these students are scheduled to take Psychology 2301 with a Texas A&M University – Kingsville professor who will come to our campus. ***Students must be TSI ready in reading to take this course.***

Below are the dates for TSI testing.

TSI BOOT Camp (required for students testing)

Monday, October 22 (Student Holiday)
      Reading Boot Camp: 9:30 a.m. – 11:30 a.m.
      Math Boot Camp: 9:30 a.m. – 11:30 a.m. and 1:00 p.m. – 3:00 p.m.
      Writing boot Camp: 1:00 p.m. – 3:00 p.m.

Tuesday, October 23 (Student Holiday)
      TSI testing starting at 9:30 a.m.

In addition to these Boot Camps, students will be working within their subject area classes on pre-assessment activities. Students will not be allowed to retest for the TSI without his or her classroom instructor's approval or attending the subject specific Boot Camp. Students have additional study and preparation opportunities with online curriculum. Students may see their classroom teacher for this information.

Please remember that our college courses do not provide us with six-weeks grades. We will mail quarterly grades for this course when they are available.

This course earns students a credit for fine arts which is required for high school graduation. Students must earn a grade of 70 for credit.

If you have any questions, please do not hesitate to ask.

Sincerely,

Kathryn Kimball
