Thank you, parents, for helping to set the tone for the school year! It is evident in all that you do for our students that we are all striving to provide the best for them. It has also been fun to see all of the efforts from our district, our teachers, our students, and of course, each of you to make this a fun and memorable year.

Together, we will be a catalyst for change: a change in attitude, a change in mindset, a change in practice. The purpose of schooling is to make sure that all students have the chance to know themselves and to explore the world with the vision and gifts that are theirs alone. Let us not stand in their way. I challenge each of us to stay focus, keep things in perspective, and continue to help to build upon the successes already experienced by our school.

As your principal, I operate with the highest level of hope and passion. There is a commitment to excellence in education in every decision made and every practice implemented. Our goal at Riviera ISD is to serve your children well.

I am committed to keeping the line of communication open with our community of families with the hope that you will visit with your students about standard behavior and maturity.

Since the beginning of the school year, we have handled a variety of disciplinary situations including insubordinate behaviors, vaping, student to student altercations. Every case was thoroughly investigated, and the appropriate consequences were rendered. The safety of our students has always been, and will continue to be, of the utmost importance to me and our district.

I invite you to come visit with me to share your ideas, ask questions, or express any concerns on November 18th in our High School Student Center during the following times:

7:50 - 8:30 AM

11:30 AM- 12:30 PM

3:00 – 3:50 PM

5:30 - 6:15 PM

Pie, coffee and tea will be served.

Remember, a simple act of kindness and treating one another with respect will help us to achieve all that we set out to do for our students.

Sincerely,

Patricia M. Thornton

Principal, Kaufer Early College High School

Rooted in Tradition, Growing with Pride!
