Parents and guardians;

You are receiving this letter as an update for your student's Edgenuity grade. You will find attached the Progress Report of where your student was on 12/5/2019. I personally met with each student to discuss their progress.

The mid-way point was December 2, 2019. All students should be "ON TRACK" in order to receive credit for their high school transcript. If students are "BEHIND", students are expected to attend tutorials on Tuesdays and Thursdays. Students may also work on their work at home or on the weekends.

On the attached Progress Report, you will see the following signatures:

- School Counselor
- Principal/ Early College Director
- Teacher of Record
- Student

The copy provided is yours to keep. Grades are available through Edgenuity.com. Their progress could be updated before you receive this letter, so please monitor your student's progress through their unique username and password. Their grades will not count against UIL requirements. The student's **actual** grade, will be their final grade, which will go on their transcript.

I do want to remind you that students only have 5 retakes per assignment. This policy is to encourage students to try their best on their first attempt. After their 5 retakes, the highest score will be taken for that assignment, and the next assignment will be unlocked by their teacher. All tests are monitored by their teacher.

Close Captions, note taking, and reviews are available and encouraged for all students to use. Accommodations are offered to all of our students. Our efforts are intended to support students for successful completion of the course. Please let me know if you have any questions.

Sincerely,

Ms. Brooke Hickey
