Dear Parents and Guardians:

During this school year, your child has been provided with high-quality instruction in the general education classroom. Additionally, your child has received the following instructional supports this school year dependent on their results from the *MAP Growth Assessment*.

Based on your child's needs, she or he will be receiving additional support in either Math or English through the Response to Intervention (RtI) process, which provides targeted interventions in your child's areas of need. It is anticipated that the following specific interventions will benefit your child: 8th Grade Math.

The duration of the interventions will be from 10:11am-10:54 am. This RtI class period is every day. The time frame in which you will receive a report on your child's progress and the intervention strategies used with your child will be once every six weeks.

If you need more specific information, please contact me at (361) 296-3101 ex 4. I have included a flyer for TEA for more information pertaining to Special Education. If you have questions regarding the RtI program, please contact Cathy Borden at (361) 296-3101.

Sincerely,

Brooke Hickey
